- Home page
    - Large Saturn image is hoverable
        - Can add a blur/color effect to show it is hoverable?
- Can get combine pages 3 and 4, or omit 3 entirely to reduce text
- Slightly increase margins on interior pages
- Remove the European observations section to make it more concise
- The large (full-width) images are good for between sections of text
    - Can maybe add smaller images to break up long paragraphs
- Footer
    - Add a logo icon
    - Links to nav/interior pages
- References
    - Wikipedia source link
    - Links to other found images
