

Microsite Outline

Topic: “**Saturn**”

https://en.wikipedia.org/wiki/Saturn#Name_and_symbol

I would have a navigation bar at the top, with separate tabs for each of the broader categories/sections, and maybe also sub-tabs in a dropdown menu.

- I. Home page
 - A. Background
 - B. Name & Symbol
- II. Physical characteristics
 - A. Internal structure
 - B. Atmosphere
 - C. Magnetosphere
- III. Orbit & rotation
- IV. Natural Satellites
 - A. Planetary Rings
- V. History of exploration
 - A. Ancient observations
 - B. European observations
 - C. Modern explorations
- VI. References/Sources
